# **Code Enforcement & Property Maintenance**

## **For Residential Properties**

To promote the health, safety and welfare of the community through education, community involvement and enforcement of ordinances. Our goal is to ensure safe, attractive neighborhoods, vibrant businesses and a peaceful, enjoyable community for everyone.

## **INTERIOR & EXTERIOR PROPERTY MAINTENANCE**

Properties shall be maintained in accordance with the International Property Maintenance Code. The Code provides for the regulation and safe use of existing structures; and establishes a standard for equipment, light, ventilation, heating, sanitation and fire safety.

## **VEHICLES**

Vehicles on the street or private property shall be operable and street legal. License plates shall be current and displayed on front and rear of the vehicle. (Residential Zone District exceptions: vehicles stored in a fully enclosed garage; or in a carport provided the vehicle is completely covered with a canvas or other opaque covering.)

## **DRIVEWAYS / PARKING SURFACES**

Vehicles shall be parked on approved surfaces and may not be parked on dirt or vegetation. Specifications for approved surfaces are detailed in the code.

## **VEHICLE REPAIR**

Major repair and restoration of occupant owned vehicles may occur only within a fully enclosed garage.

## **VEHICLES FOR SALE**

Vehicles may not be displayed for sale on public streets or in parking lots.

## **PARKING**

Concerns about vehicles parked on public streets should be directed to Littleton Police non-emergency at 303-794-1551

## **OUTDOOR STORAGE**

The outdoor storage of materials, equipment, supplies or other miscellaneous items is prohibited. Prohibited item may include, but are not limited to, indoor furniture, appliances, building materials, automotive parts and chemicals.

## **RUBBISH**

Properties shall be kept clear of all rubbish. Rubbish is waste material including, but not limited to, paper, cardboard, yard clippings, tree branches, scrap wood and metal, plastics, household furnishings, unusable automotive or other mechanical parts.

## **GARBAGE & CONTAINERS**

Garbage shall be placed in approved containers with tight fitting lids. Containers shall be stored behind the front set back of the primary structure and in no case closer than 20 feet from a public right of way or sidewalk. The area where the containers are stored must be kept clean. Containers may be placed temporarily at the curb for pick up and must be removed the same day of service.

## **WEEDS**

Weeds and grass that have grown to maturity or that are over eight (8) inches in height shall be cut and removed. Owners must take reasonable steps to control noxious vegetation in the City.

## **SIDEWALKS / SNOW REMOVAL**

Sidewalks shall be maintained in a proper state of repair and free from hazardous conditions. Snow and ice are to be removed

from sidewalks within 24 hours after a snow-fall.

## **STREET & SIDEWALK OBSTRUCTIONS**

Trees, shrubs, and all vegetation must be trimmed back from the public right-of-way in order to allow for safe passage of pedestrians and vehicles. The required clearance is 10 feet above the sidewalk and 14 feet above the street. No items, including basketball hoops, may be placed or stored on a public right of way.

## **FENCES AND WALLS**

Fences and walls shall be safe, structurally sound and uniform or compatible in color and structure. New fences and some walls require building permits.

## **GRAFFITI**

It is the responsibility of all property owners and residents to remove graffiti immediately. Prior to removal, residents are asked to make a police report by calling (303) 794-1551. For information on graffiti removal procedures and products, please contact Code Enforcement.

## **ADDRESSES**

All dwellings must have addresses that are clearly visible from the street or road fronting the property.

## **HOME OCCUPATIONS**

Certain home occupations are permitted in residential zone districts as long as the neighborhood integrity and residential character are preserved by meeting the requirements of the code. Zoning approval is required.
